

PARENTAL DECLARATION

Faculty of Business and Economics University of Pécs

Foreigners under 18 can apply for our study programmes and a residence permit either at the foreign representation or in Hungary at the customer service.

However, in addition to the documents certifying the usual purpose of residence, housing and subsistence in Hungary, a declaration is required in which the parents agree to the minor's continued studies in Hungary. The legal basis for this is Section 13(4) of Act II of 2007: *"In addition to the provisions of paragraph (1), a minor third-country national must prove that his or her parent or legal representative has consented to his/her stay in Hungary for the duration of the intended stay."*

After entry, the administration, whether it is the submission of an application or just the application of the accommodation or the receipt of a residence document, will require someone who can act on the case of the student over the age of 18 based on a power of attorney from the parents. Of course, the authorized person can be anyone, but if the minor would like to make a case with us, they must appear together at customer service.
