

Information on the operation of PTE General Practitioner Service

The process of using the GP Service for PTE employees and students registered in practice.

Appointments and registration are made by e-mail, in case of Hungarian patients via the email address haziorvos@pte.hu, while appointment for foreign students can be booked via the e-mail: gp@pte.hu

In all cases, an appointment is required to use the services. When booking an appointment, please consider the following instructions:

1. As arriving to an appointment, the patient must present the necessary documents upon appearance, otherwise will not be accepted.
2. Transfer to the practice is also possible after consultation by e-mail.
3. A separate appointment is required for vaccination.
4. It is necessary to register immediately at the onset of illness, as we are unable to issue a certificate afterwards.
5. We are only able to issue a medical certificate for absence from classes/exam due to illness.
6. In the case of cash payment, it is necessary the exact amount, otherwise card payment is available to patients.
