

Report on meeting the quality objectives for the period to 31 August 2024

Dear Faculty Council,

According to Section 8 (3) (e) of the Quality Management Regulations of the University of Pécs, *“the evaluation of the achievement of quality objectives is carried out at the university level by the Quality Development Committee, and in the case of the faculties and the Clinical Centre by the Quality Management Committee of the organisational unit on an annual basis”*.

The deadlines for all the quality objectives set by the Faculty of Business and Economics at the Faculty Council meeting of 13 September 2023 expired on 31 August 2024, so an assessment of the achievement of the quality objectives is required.
