RESEARCH INTREST AND PROJECTS

Project Name	Title	Responsibilities
Women Entrepreneurs	Empowering Women's Entrepreneurial Activities through Digital Technology in Asia (2024)	The research aims to develop a Women's Entrepreneurship Index and to examine the key factors influencing productive women's entrepreneurial activities.
Entrepreneurial Activities, Regional Development Policy	Project ID "TKP2021-NKTA-19": "Enhancing the Role of Domestic Companies in the Nation's Reindustrialization" (2021-2025)	Within the framework of the project "Enhancing the Role of Domestic Companies in the Nation's Reindustrialization," responsibilities include conducting research tasks, leading research projects that result in international and/or national publications listed by the Hungarian Academy of Sciences, and directly supervising the research activities of junior colleagues.
Entrepreneurial Activities, Regional Development Policy	Higher Education Institutional Excellence Programme of the Ministry for Innovation and Technology in Hungary, within the framework of the 4th thematic programme "Enhancing the Role of Domestic Companies in the Reindustrialization of Hungary" of the University of Pécs.". Grant Number: TUDFO / 47138/2019-ITM, (2019-2020)	The Ministry for Innovation and Technology in Hungary was a key initiative designed to strengthen the research and innovation capabilities of Hungarian universities. Specifically, within this program, the University of Pécs participated in the 4th thematic area titled "Enhancing the Role of Domestic Companies in the Reindustrialization of Hungary". This particular thematic program focused on researching and developing strategies to boost the role of domestic companies in Hungary's reindustrialization efforts.
Entrepreneurial Activities, Regional Development Policy	The European Index of Digital Entrepreneurship Systems	Participation in the development of the composite indicator for the European Index of Digital Entrepreneurship Systems.
Entrepreneurial Activities, Regional Development Policy	National Excellence in Higher Education Program in Hungary (reference number of the contract: 20765-3/2018/FEKUTSTRAT)	A government-supported initiative aimed at enhancing the quality and impact of higher education institutions in Hungary. The program focuses on supporting innovative research and educational projects across universities, with a particular emphasis on areas that contribute to national development, economic growth, and global competitiveness. Under this program, the University of Pécs (PTE) has been involved in various research projects, including those related to entrepreneurship, regional development, and the reindustrialization of Hungary.
Entrepreneurial Activities, Regional Development Policy	EFOP-3.6.2-16-2017-00017 "Sustainable, intelligent and inclusive regional and city-based models" (2018 – 2019)	Systematic review of the entrepreneurship ecosystem literature.
Entrepreneurial Activities, Regional Development Policy	European Commission Horizon 2020 FIRES (Financial and Institutional Reforms for an Entrepreneurial Society) Project (2015-2018)	Recalculation of the Regional Entrepreneurship and Development Index.
Entrepreneurial Activities, Regional Development Policy	EC Directorate-General Regional and Urban Policy) "Measuring regional entrepreneurship" 2012.CE.16.BAT.057 contract number, 2012 – 2014	Development of the Regional Entrepreneurship and Development Index for 125 EU NUTS regions.

Regional Development Policy	Development of Regions project TÁMOP-4.2.1.B- 10/2/KONV-2010-0002 ó, 2011 – 2013	Comprehensive territorial development analysis of the South Transdanubian Region.
